Insight On-Wall Series

Powerful, Compact, and High Performance

The Insight On-wall Series is a compact discreet loudspeaker series to be installed in Cinemas, Media or Living Rooms. Don't let the size fool you. These are powerful speakers with amazing clarity and detail, thanks to the advanced Wisdom Audio Planar Magnetic Driver (PMD). The S10 (10") Passive Subwoofer is a versatile unit capable of producing powerful clean bass from an incredibly compact cabinet. Convertible from freestanding upright to down-firing or up-firing installation, the ultra-compact design can easily be hidden under sofas or cabinets.

P2m and P4m

At only 4.13" (105mm) deep, the P2m is supplied with flush fitting wall brackets allowing for vertical or horizontal mounting. Available in luxurious high gloss white or black finishes.

S10

At only 4.5" (116mm) deep and featuring a sealed cabinet, the stylish S10 is discreet and easy to install. Two S10 subwoofers can be powered from a single SW-1 DSP Amplifier. Available in luxurious high gloss white or black finishes.

All specifications are subject to change at any time in order to improve the product.
